ModernAdvisor will acknowledge receipt of any complaint promptly, generally within five days. ModernAdvisor will investigate any complaint and provide a response. The response may be an offer to resolve the complaint, a denial of the complaint with reasons, or another appropriate response. ModernAdvisor will generally provide a response within 90 days, unless ModernAdvisor is waiting for additional information from the client, or the case is novel or very complicated. In the case of the latter, ModernAdvisor will advise the client of the anticipated response date.

If a client is unsatisfied with ModernAdvisor's response to a complaint or if ModernAdvisor does not provide a decision concerning the complaint within 90 days after the complaint was filed, the client may be eligible for the independent dispute resolution service offered by the Ombudsman for Banking Services and Investments ("OBSI"). OBSI provides an independent and impartial process for the investigation and resolution of complaints about the provision of financial services to clients. OBSI can make a non-binding recommendation that ModernAdvisor compensate a client (up to \$350,000) if it determines the client has been treated unfairly, taking into account the criteria of good financial services and business practice, relevant codes of practice or conduct, industry regulation and the law. The OBSI process is free of charge and is confidential. OBSI can be contacted by e-mail at ombudsman@obsi.ca or by phone, toll free at 1-888-451-4519.

If the client is a resident of Québec, in accordance with the Securities Act (Québec), ModernAdvisor will acknowledge receipt of any complaint promptly, in writing, within 10 days (unless a simplified procedure is being used). The acknowledgement will include a summary and/or copy of ModernAdvisor's complaint handling policy. ModernAdvisor will investigate any complaint and provide a response. The response may be an offer to resolve the complaint, a denial of the complaint with reasons, or another appropriate response. ModernAdvisor will provide a final written decision within 60 days or a maximum of 90 days in exceptional circumstances. If an offer to resolve the complaint is accepted by the complainant, ModernAdvisor will settle the offer within 30 days. If a client is unsatisfied with ModernAdvisor's response to a complaint or if ModernAdvisor does not provide a decision concerning the complaint within 90 days after the complaint was filed, the client may request the complaint record to be examined by the Autorité des marchés financiers ("AMF"). ModernAdvisor will transfer the complaint records to the AMF within 15 days of receipt of a request. The AMF will examine the complaint records and may, with the complainant's consent, act as the conciliator or mediator regarding the complaint or designate a person to act as such at no cost to the complainant.
